Assistant / Associate / Full Professor - Academic General Internist
Department of Medicine, Sunnybrook Health Sciences Centre, University of Toronto,

The Division of General Internal Medicine, Sunnybrook Health Sciences Centre and the Department of Medicine, Faculty of Medicine, at the University of Toronto are seeking an Academic General Internist. The successful applicant must be eligible for a full-time clinical academic appointment with an academic position description of Clinician Teacher or Clinician, Quality and Innovation at the rank of Assistant, Associate or Full Professor at the University of Toronto. It is expected that the position will be approximately 60% clinical and 40% research/teaching/quality improvement. Expected start date is September 2020 or shortly thereafter.

The successful candidate will participate in the clinical, educational and research activities of the Division of General Internal Medicine (GIM) at Sunnybrook. Clinical activities will be primarily focused on expanding and enhancing ambulatory GIM care to service the local community. The successful candidate will also participate in attending on the clinical teaching units, medical consultation services, rapid access clinics, and resident independent units as required.

Sunnybrook is a tertiary care teaching hospital fully-affiliated with the University of Toronto, where the candidate will be expected to hold an academic appointment.

The successful candidate must hold an MD degree, have or be eligible for certification in Internal Medicine by the Royal College of Physicians and Surgeons of Canada, and have or be eligible for licensure in Ontario. Preferably, the successful candidate will have advanced training in education, quality improvement or health administration. For applicants being considered for appointment as a Clinician Teacher, excellence will be assessed by the presence of scholarly contributions to teaching and education as evidenced by pedagogical innovation, curriculum development, experience in teaching at the undergraduate and graduate level, and teaching awards. For Clinician in Quality and Innovation, excellence will be assessed by advanced training in quality improvement or equivalent, successful quality improvement initiatives, evidence of practice and/or equipment innovations, and invitations to significant conferences, and accolades.

Estimated compensation will be in the range of $250,000- $275,000 commensurate with qualifications and experience. Applications will be accepted until May 25, 2020. The first round of reviews is expected to start in May 31, 2020.

A curriculum vitae and names and addresses of three (3) referees should be sent to:
Dr. Steven Shadowitz, Division Head, GIM
